# boni

KİMYA SAN. VE TİC. LTD.ŞTİ.

**BONİ KİMYA** is a turkish manufacturer company located in Istanbul. Our product range covers baby & adult diapers, wet wipes, sanitary napkins, cotton buds, vaseline, baby powder, baby shampoo, underpads for hospitals..etc Our company has various brands, package designs and sizes in order to adapt different market demands. We currently export to more than 25 countries within Europe, Middle East, Africa and Balkan regions.

We use premium raw materials from worldwide known raw material manufacturers. and we manufacture either under our own Brands such as: **POMİKS, BRAVO, BABY NICE** and **BONİ** or under our customer's private label.

Our 15 years of production experience and our strict Quality Control System enables us to work continuously with the development of new, sustainable products which are always tested rigorously to ensure the best quality.

We are building up a new factory in Congo Republic which will give us a strong logistics opportunity in the African markets.
